

TL 9000 and QMS Course Library

AICC AND SCORM COMPLIANT

Our LMS courses are both **AICC** and **SCORM** compliant. We also offer custom training solutions tailored to specific quality disciplines. Contact us at: registrar@bizphyx.com

OUR INSTRUCTORS

BIZPHYX is lead by a team of executives who offer clients over 75 years of telecom and quality management experience. Nationally recognized as TL 9000 Experts, **BIZPHYX** has the distinction of two TL 9000 Master Trainers on staff.

ONGOING SUPPORT

Throughout the year, we offer reasonably priced webinars on leading-edge topics that help you maintain your QMS. Additionally, we offer free podcast education through our channel in I-Tunes.

CUSTOM CURRICULUM

We are often asked to develop custom training for clients and we can also execute international training projects. Describe your needs by submitting a RFI form from our contact us page at: www.bizphyx.com.

"I learned quite a bit from this course. Your webinar has provided clear examples of how to properly create a TL 9000 Value Statement, which will assist both Quality and Sales greatly. Thanks again!" -KELLY

Lean Six Sigma Courses

LLS 104: Lean Six Sigma Overview

LLS 105: Lean Six Sigma Implementation

"The training was efficient and thorough. The auditor had a pleasant speaking voice and upbeat tempo. She kept me focused and entertained as we covered multiple topics. She used great examples to relate each topic toward our business. I felt competent and confident after the two day training!" -TRACY
