corporate sustainability ISO 14001

BIZPHYX provides training, consulting and implementation services for ISO 14001. We can help you define and achieve your corporate sustainability goals.

ISO 14001 PROVIDES A FOUNDATION FOR CORPORATE SUSTAINABILITY BECAUSE IT FRAMES AN UNDERLYING SYSTEM FOR CONTINUAL IMPROVEMENT OF ENVIRONMENTAL PERFORMANCE.

UNDERSTANDING ISO 14001:2004

Corporate sustainability. **Being green.** Carbon footprint. Energy reduction. Social responsibility. Waste management. How do organizations develop comprehensive environmental policies, plans and actions that incorporate these factors?

If you are serious about implementing an environmentally responsible approach to business, whether the need is based on a customer's request or a corporate strategy, we suggest implementing ISO 14001, the environmental management standard. **ISO 14001 is an audited quality standard** that provides a framework for continual improvement of environmental performance.

CORPORATE SUSTAINABILITY

As much as 50% percent of a company's carbon footprint stems from its supply chain. Therefore, it's no surprise businesses are looking to improve their sustainability and are turning the spotlight on their suppliers. Corporate sustainability describes business practices **built around social and environmental considerations.**

IMPLEMENTING ISO 14001

ISO 14001 certification can increase your company's marketability because your organization can demonstrate **environmental leadership.**

BIZPHYX offers a unique a program where companies can obtain certification to ISO 9001 and ISO 14001 at the same time, thereby addressing both environmental and industry specific quality requirements.

We know you have a choice when it comes to consultants. **BIZPHYX is certified to both ISO 9001 and TL 9000.** Few quality management consulting firms are certified to the standards they implement. This level of expertise translates into results for our clients, as evidenced by an unprecedented **100% client certification rate.**

"It is critical to educate corporations on the benefits of having their of diverse suppliers certify to quality standards like ISO 14001 as a way to reduce risk in the supply chain. BIZPHYX has developed a cost-effective program to help suppliers achieve certification." -JOAN
